Statue of Venezuela's founding father unveiled in Tehran in presence of Chavez

Tehran, Nov 28, IRNA -- Statue of Venezuela's nineteenth century leader Simon Bolivar was unveiled at Goft-o-gou (dialogue) Park in Tehran on Sunday in a ceremony attended by President Hugo Chavez, Chairman of Tehran City Council Mehdi Chamran and Tehran Mayor Mahmoud Ahmadinejad.

Ahmadi said that today is a great day in Tehran-Caracas relations as well as in Iranian ties with Latin American nations.

"Though there is long way from Tehran to Latin American states, the common ground between Iran and the Latin American nations has helped bring closer the hearts of those nations," Tehran mayor said.
