GRANTS & FELLOWSHIPS with the National Research Initiative (NRI).

BOOK

UPCOMING EVENTS

F. A. Hayek, Spontaneous Order, and the Mirage of Social Justice: Bradley Lecture Series

AEI event, March 10, 2008

John Tomasi (Brown University) will examine Hayek's complex views on government involvement in social policy, explaining the seeming contradiction in Hayek's thoughts and its relevance to today's public policy debates. [[Read more](#)]

Assessing the Effects of Corporate Taxation

AEI event, March 17, 2008

Andrei Shleifer (Harvard University), **Roger H. Gordon** (University of California, San Diego), **James R. Hines Jr.** (University of Michigan), **Mihir A. Desai** (Harvard Business School), and many others will examine the impact of the current U.S. corporate income tax on corporate behavior and national economic prosperity. [[Read more](#)]

Social Entrepreneurship: What It Is, and Why It Matters for America

AEI book forum, March 20, 2008

Arthur C. Brooks (AEI and Syracuse) will present his new book, followed by a discussion with **Dennis Young** (Georgia State University) and other scholars actively working to promote social entrepreneurship in practice, policy, and research. [[Read more](#)]

WORKING PAPER

Columbia University Press
January 2008

[[Read more](#)]

In *Sustaining India's Growth Miracle*, **Charles W. Calomiris** (AEI and Columbia University) and **Jagdish N. Baghwati** (Columbia University) analyze India's hidden weaknesses that, if unaddressed, may slow the country's growth.

ARTICLES

The Arms Race Myth, Again

By [Richard Perle](#)

Washington Post, March 3, 2008

Richard Perle (AEI) argues that the world is not in another nuclear arms race, and the threat of just a few nuclear weapons should act as a deterrent. [[Read more](#)]

That '70s Show

By [Allan H. Meltzer](#)

Wall Street Journal, February 28, 2008

Allan H. Meltzer (AEI) argues that the Fed should insist on its obligation to prevent inflation and sustain growth, not sacrifice inflation to lower unemployment before the election. [[Read more](#)]

The Search for the Next Soccer Mom

By [Karlyn Bowman](#) and [Ruy Teixeira](#)

Wall Street Journal, February 28, 2008

Climate Change Hysteria and the Supreme Court: The Economic Impact of Global Warming on the U.S. and the Misguided Regulation of Greenhouse Gas Emissions under the Clean Air Act

By Jason Scott Johnston
AEI Center for Regulatory and Market Studies,
Working Paper, February 2008

Jason Scott Johnston (University of Pennsylvania Law School) argues that a sensible formulation of U. S. climate change policy would involve measures to respond both to the long-term threat to the United States and the short-term threat to developing countries. [[Read more](#)]

RECENT EVENT

The Future of Red, Blue, and Purple America: Election Demographics, 2008 and Beyond

AEI and Brookings event, February 28, 2008

Robert Lang (Virginia Tech), **Tom W. Smith** (University of Chicago), **E.J. Dionne** (Brookings Institution), **Karlyn Bowman** (AEI), and others discussed the shifts underway in red, blue, and purple America; assessed their likely effects on this year's election; and outlined the ways they may affect our political future and the policy challenges both parties have to face. [[Read more](#)]

Please send feedback to: academics@aei.org

Karlyn Bowman (AEI) and **Ruy Teixeira** (Brookings Institution) argue that the major political parties are struggling to keep up with the changing demographics of the United States. [[Read more](#)]

Cops and Doctors

By **Scott Gottlieb, M.D.**
Wall Street Journal, February 27, 2008

Scott Gottlieb, M.D., (AEI) argues that the strategies being used by the Drug Enforcement Administration to tackle the misuse of prescription drugs are ineffective and are preventing the development of new medications. [[Read more](#)]

GRANTS & FELLOWSHIPS
